Course Codes for Secondary Grades

The **Secondary School Course Classification System: School Codes for the Exchange of Data (SCED)** manual is published by the US Department of Education, National Center for Education Statistics (NCES). This manual provides the codes needed to complete both the "SubjectAreaCode" and the "CourseIdentifierCode" characteristics in the Migrant Curriculum Collection. The first 2 digits of the SCED Course Description Code are the "SubjectAreaCode" and the last 3 digits are the "CourseIdentifierCode". The manual also provides descriptions of each course. It is available to order or view online through the NCES Web site <http://www.nces.ed.gov> or it may be ordered by calling toll free 1-877-4ED-PUBS.
